

Universidad del Tepeyac

English Teacher's Training Course

Universidad del Tepeyac, through its Language Center, invites you to be part of the *English Teacher's Training Course*, a course aimed at people who wish to initiate a career as EFL teachers as well as those currently teaching who want to improve their performance as English teachers.

Aims

The course enables the prospective teachers to:

- ✓ Get acquainted with the suggestions and recommendations of the Common European Framework for Languages with regards to the learning, teaching and assessment of English competence.
- ✓ Acquire subject knowledge and familiarity with the most updated methodologies, techniques and approaches to English teaching.
- ✓ Develop a variety of practical skills to teach English to learners with different levels of competence and a wide range of ages.
- ✓ Demonstrate their ability to cope with daily situations and problems faced by all teachers.
- ✓ Acquire the theoretical framework and develop the practical skills needed to obtain other certifications such as *TKT Exams (Cambridge English Language Assessment)*.

Syllabus Overview

The course consists of 390 hours divided in the following modules that deal with specific topic areas in the teaching of English:

English Teacher's Training Course			
Module 1	Grammar Analysis (60 hours)	Module 5	Methodology II (40 hours)
Module 2	Phonology (60 hours)	Module 6	The Four Skills (40 hours)
Module 3	Methodology I (40 hours)	Module 7	Lesson Planning (40 hours)
Module 4	Psychology in the Classroom (40 hours)	Module 8	Class Management (40 hours)
Observation and Teaching Practice (30 hours)			

Entry Requirements

- Have a competence in written and spoken English of at least level B2 of the CEFR.
- Be at least 17 years old.
- Have a high school (preparatory studies) certificate or be a senior at high school.
- Sit an admission exam and interview (free of charge).
